## Project development phase

DreamHouse is a fictitious real estate company. This application helps DreamHouse brokers manage their properties and their customers. The application also helps prospective home buyers find their dream house via a custom mobile app. Regardless of the industry you work in, this app demonstrates how to build rich and immersive user experiences with Lightning Components.
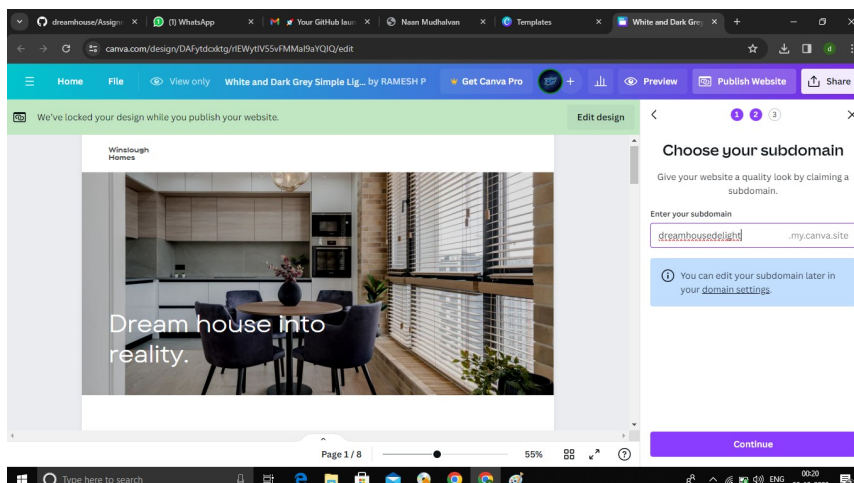

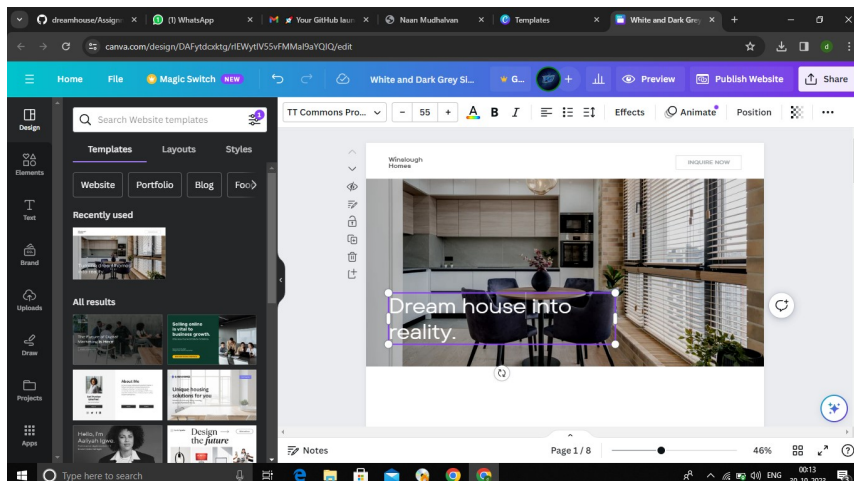

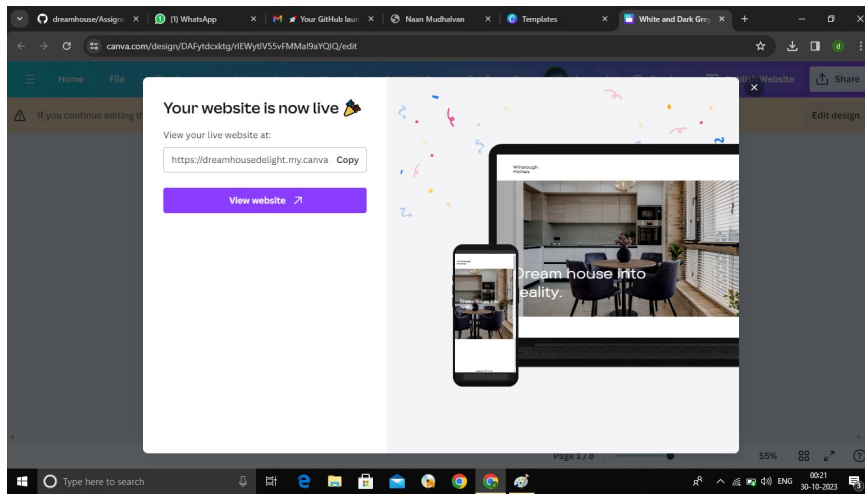

STEPS FOR CREATING USING CANVA

- Choose a website template. Pick from our collection of ready-made website layouts that you can customize instantly. ...
- Customize your site. Structure your website and its content. ...
- Personalize with more elements. ...
- Publish as a website.
